

Health and Social Care

Summer preparation for prospective Y12 students

Health & Social Care AS Level

Read in the papers or listen to the news any items related to Health care, social work, nursery education etc.

Start researching about the dangers of smoking on health and collect any anti-smoking literature for later in the term.

It is recommended that students become involved in helping Age Concern at the Stour Castle site. More details available from Chris Spackman at Age Concern or Mrs Neilson.
