

## A Level Photography Year 12 2017

**Deadline**

**1<sup>st</sup> lesson September 2017**

**Title**

**What is Photography?**

### OVERVIEW / SUMMARY:

Imagine you are the curator of a photography exhibition with the title 'What is photography?' You can choose a number of images to represent your understanding of photography. These images can be any type of photography from any time in the history of the medium. They could include commercial and art photography, amateur and professional.

**Note:** Try to be creative about how you do this. For example, you could exhibit the images in your bedroom, invite visitors, provide them a guide to the exhibition, produce relevant publicity materials, print a catalogue with accompanying text, create a video interview with the curator ...etc. Document the exhibition i.e. take photos of it and bring to first lesson in September.

### Key objectives

Exploring students' existing knowledge of and taste in photographic images through the curation of a personal, site-specific exhibition.

### Key photographers/references/prompts

### Tips for success

Present your collected images in a visually creative and interesting way. Think in terms of presenting them as a collection of ideas or installation.

### Extension activities

Create invitations to your exhibition and invite friends and family.
