

## Going to Sixth form or college in September 2019?

### Have you thought about how you will get there?

Students over 16 **DO NOT** receive a free bus pass to travel to college or 6<sup>th</sup> form. If you need transport to get there you will need to find out what is available and what the best way would be to pay for a bus pass or season ticket.

Find out more about your options at [wiltshire.gov.uk/schools-learning-transport](http://wiltshire.gov.uk/schools-learning-transport). Apply before the end of June 2019 and you will be able to pay for your bus pass in instalments.

### Do you need help with transport?

If you live in Wiltshire and your family has a low income, you might qualify for a bus pass through Wiltshire Council at a lower rate than buying direct from the bus company. You can pay for it in instalments if you apply before the end of June. Visit our website now to see if you can get help – even if you are not sure yet which school or college you will be attending.

If your family income is not low enough to qualify for a lower rate bus pass for £231 through the council, you can still apply for one at the standard rate of £781 but you may find it cheaper to buy a pass direct from your local bus company.

Application forms are available from Easter 2019 at [www.wiltshire.gov.uk](http://www.wiltshire.gov.uk) or from your local sixth form or college. Alternatively email [educationtransport@wiltshire.gov.uk](mailto:educationtransport@wiltshire.gov.uk)
