

CHOOSING YOUR KS4 OPTIONS

MRS K JOHNSON

WORK EXPERIENCE & CAREERS CO-ORDINATOR

**Here's how to
choose your
options.....**

DON'T.....

- **Choose a subject because your friend is doing it – you are not your friend, you are you;**
- **Choose a subject because you like the teacher – they might not teach you in KS4;**
- **Choose a subject because you can't think of anything better to do;**
- **Choose a subject because you think it's easier – it won't be!**
- **Choose a subject because you want an easy life (don't we all!).**

**So here we
are, ready to
choose.....**

- **You know the core subjects you need to study.**
- **You might know what you'd like to do in the future, so investigate which subjects you need on top for this route.**
- **You might not know what you'd like to do in the future – that's fine, a lot of young people don't know so choose:**
 - **Subjects you're good at;**
 - **Subjects you like;**
 - **Subjects you will enjoy.**

Who can help?

- **Parents/carers/family;**
- **Teachers/tutors;**
- **Websites:**
